- Responsive
- Simple frontend page
- Demo Link :- <https://rajputanuj31.github.io/madirashop/>
- Github Link :- <https://github.com/rajputanuj31/madirashop>

## EDUCATION

### Bachelor in Technology

**Indian Institute of Information Technology Pune**

📅 12/2021 - Present

## SKILLS

HTML

CSS

React

Node js

Express js

Git

Cypress

Joomla

## ACHIEVEMENTS

### Automated testing Project using Cypress in Joomla CMS

Joomla CMS is an open source organization

I am helping with automated testing project, currently I have about 20 PRs merged.

PR's Link :- <https://github.com/joomla/joomla-cms/pulls?q=is%3Apr+author%3Arajputanuj31+is%3Aclosed>

### Added two features in Joomla Cms

Added a feature of multiple file selection using 'ctrl' key and 'shift' key.

Added a feature of showing drag and drop option in empty folder.

## LANGUAGES

Javascript

C++

Python (Basic)
